▼ For a squeaky-clean finish, double cleanse! After your normal wash, use a wipe to remove product, bacteria and environmental pollutants that wreak havoc on skin.

Open Nature Facial Cleansing Wipes, available exclusively at your local Albertsons and Safeway stores

▼ Touted as the first water-based, liquid foundation in a stick, the moisturizing red algae melts into skin (read: no caked-on look!) and can be used for all-over coverage or spot concealing for a flawless finish. The added skin-saver? The SPF 25 protection!

bareMinerals Complexion Rescue Hydrating Foundation Stick SPF 25, \$32, bareminerals.com

Hailey Bieber, 22, says she loves BareMinerals Complexion Rescue Hydrating Foundation Stick because "it's not heavy."

▲ The skin around eyes is the thinnest on the face, so a delicate cleanser is a must! This milky formula is so gentle, you don't even have to rinse it off.

Collosol Paris Eau de Lait Water Milk Cleanser, \$18, bigelowchemists.com

▲ Body dandruff is a thing, y'all. Get rid of it by applying lotion right out of the shower, while skin is still wet. Doing so allows product to penetrate lower layers of the dermis for optimal moisturizing benefits. (P.S.: This one adds a glow and reduces the appearance of cellulite, too...so, like, triple-duty beauty!)

Jergens Natural Glow Wet Skin +Firming Moisturizer, \$9, drugstores

Love Thy Skin!

It's the body's largest organ, so give skin extra TLC (after all, you want it to look its best, right?!)

► Skin can be temperamental, so balance it out with toner. This one contains jojoba and avocado oils, so it's super-hydrating and soothing. Sold!

Simple Truth Organic Lavender Orange Face Toner, available exclusively at The Kroger Co Family of stores

◀ Thank you, winter, we love our dry lips... not. DIY with a natural exfoliant (mix two tablespoons of each: sea salt, lemon juice and olive oil) and say sayonara to that parched pout!
