

# Cherner®

molded plywood chairs and tables for children

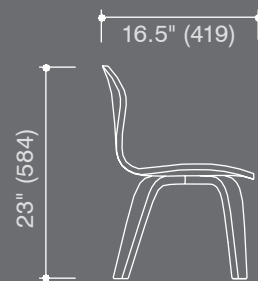

## Chairs

Inspired by Norman Cherner's classic design, this child size chair is made with the same attention to detail and craftsmanship as the full size original. Built to hand down from one generation to another. Graceful yet durable 5/8" cross-ply molded birch plywood shell and laminated birch legs.

Designed by Benjamin Cherner

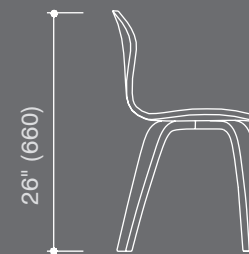

Available in Natural Birch, Natural Walnut and Stella Orange finishes.

12" seat height

14" (355)

26" (660)

15" seat height

16" (406)

# Tables

Designed by Benjamin Cherner

Durable and beautiful for home or school. 30" x 30" tables can seat four while the 30" x 60" table can seat eight.

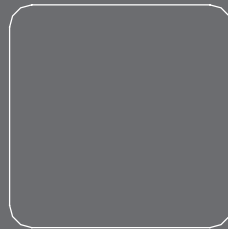

Table tops are 1" thick cross-ply birch plywood with laminated birch legs. Both top and legs feature edges with exposed plies.

Available in Natural Birch, Natural Walnut and Stella Orange finishes.

## Sustainability

Our primary environmental philosophy is that you will never find a Cherner Chair product in a landfill. Cherner designs are featured in design collections worldwide, our products are manufactured to last, to cherish, and to hand down to future generations. All components of Cherner Chair products are replaceable, insuring that our chairs and tables can be indefinitely kept in service. We are committed to minimizing the environmental impact of all of our products.
