About Us

Established in 1991, Fletchers Supplies is your leading supplier of cleaning, packaging and hospitality requirements. Based in Wangaratta we supply throughout North East Victoria and Southern New South Wales.

Fletchers Supplies stock and distribute an extensive range of cleaning chemicals, cleaning equipment, food packaging and containers, hand care products, janitorial requirements, odour control products, glassware, crockery, cutlery, commercial cooking equipment and other commercial catering needs.

Here at Fletchers Supplies, we pride ourselves on the relationships we cultivate with our clients and suppliers. We believe in delivering a personalised, end-to-end service, which is why our knowledgeable team is always available to speak with you face to face. Whether it is our dedicated client representatives who visit you during the week, our skilled installers, or our reliable delivery drivers, we are here to assist you every step of the way.

We supply hotels, motels, restaurants, schools, bakeries, wineries, a wide range of other businesses and cleaning contractors who service the region. Our service area covers the entire North East of Victoria and southern New South Wales including regional centres such as Cobram, Yarrowonga, Corowa, Rutherglen, Albury, Wodonga, Tallangatta, Yackandandah, Beechworth, Myrtleford, Bright, Benalla, Mansfield, Eildon, Alexandra, Marysville, Euroa, Seymour, Nagambie, Kilmore and the Alpine and Snowy Mountains.

See you soon

Natural Deterrent

Your answer to easy and cost effective compliance with Australian and New Zealand Food Safety Standards and council health requirements.

The Insect Solutions 24 hour pro-active control system will reduce the infestation and nuisance of pests in bakeries, butchers, restaurants, cafes, supermarkets, delicatessens, food processors, retail stores, medical centres, libraries, schools, hospitals and business offices, in fact, in any situation where flies and other insects cause discomfort, inconvenience or pose a possible health hazard.

Areas such as in aged care homes, clinics, kindergartens, resorts and hotels also enjoy efficient and worry-free protection for a minimal cost to business.

Not only do flies and other insects carry parasites, bacteria and disease, they are also a source of considerable discomfort to your customers. Therefore proprietors must ensure that all pests are eradicated and prevented from being harboured in their premises.

Automatic Simple Operation

Insect Solutions combines a timed mist release technology with the unique insect repelling properties of natural pyrethrin to provide a safe, effective and environmentally acceptable insect control solution.

With Insect Solutions you can leave your doors and windows open... insects will leave or not attempt to enter. If they cannot escape they will die, often close to windows and exits.

Using a combination of pyrethrin strength and time release options, Fletchers Supplies will tailor a system to suit your needs. Once installed, Insect Solutions goes to work silently with each can of mist lasting approximately 6 weeks.

Eazyzap LED Insect Killers

Eazyzap bug zapper is a highly effective and energy-saving solution for helping to keep restaurants, kitchens, cafés and canteens free from flying insects and other pests. The UV LED bulbs quickly attract flying bugs into the unit, removing them discreetly and significantly improving hygiene. With an extraordinary rated lifespan of up to 10,000 hours, there are far fewer bulb changes required.

Code	Coverage	Dimensions	Price
33439	15W, 50m ²	272(H)x350(W)x86(D)mm	\$112.20
33437	19W, 100m ²	320(H)x500(W)x86(D)mm	\$140.76
33436	24W, 150m ²	320(H)x650(W)x86(D)mm	\$176.00

Eazyzap LED S/S Insect Killers

Keeping your kitchen clear of bugs, the zapper will also save you more money in the long term - designed for efficiency, it uses energy-saving LED bulbs which last far longer than traditional fluorescent bulbs while reducing running costs.

The strong stainless steel construction is both durable and rust-resistant, keeping your kitchen protected for years and years to come.

Code	Coverage	Dimensions	Price
33419	14W, 30m ²	313(H)x284(W)x106(D)mm	\$140.76
33418	19W, 100m ²	313(H)x515(W)x106(D)mm	\$168.30
33417	24W, 150m ²	313(H)x663(W)x106(D)mm	\$196.86

Eazyzap Citronella Tea Lights

When used in combination with Eazyzap fly killers or glue boards, citronella tea lights provide an all-round insect killing solution for any dining area. The tea lights are suitable for both indoor and outdoor use and can last long periods without burning out and needing to be replaced, perfect for outside dining service. 50 per pack

Code	Burn	Dimensions	Price
