**Sunlite 7.5 Watt S11 Colored Indicator,  
Medium Base, Ceramic Green**

Sunlite, 7.5 watt incandescent medium based S11 colored indicator bulb works with most 120 volt lighting fixtures, and will last for an average of 2000 hours. This bulb emits a soft green light that looks great whenever a colored light is needed. Incandescent lighting is commonly used for decorative, office, residential, commercial and special purpose lamps. These bulbs are also great for decorative and special purpose lighting applications.
