

Replace your 6-inch round recessed can lighting with these commercial grades, high-output LED fixtures from Sunlite. The aluminum body features a white finish and wires directly into your existing junction box. They are dimmable (100%-10%) and employ spring-loaded tabs for easy installation into your existing light openings. ETL Listed for damp location installation. Ideal for showrooms, retail locations, ballrooms, meeting spaces, atriums, entryways, hallways, or anywhere bright downlighting is needed.
