

AROMATHERAPY MENU

Let aromatherapy take you on a sensorial journey and manifest positive energy around you. We encourage you to consult with your provider to choose the combination that is best suited for you. We have grouped the blends we feel are the most cohesive

SELECT UP TO **3** OIL BLENDS

RESPIRATION

An exceptional selection of 9 essential oils to decongest and clarify nasal passages and throat while energizing the skin

MUSCLE + JOINT

This proprietary blend of 10 pure essential oils increases blood flow to sore muscles and joints to soothe and relax.

MEDICINAL

A fresh, sweet and woody aroma. Use to ease cold-like symptoms caused by allergies. Contains 10 pure single note oils including Eucalyptus, a powerful decongestant

LOTUS LOVE

An exotic and aromatic blend with a luxurious feminine aroma. A unique essential oil blend with relaxing and meditative oils of Patchouli and Lavender combined with sensual Jasmine and Frangipani.

HARMONY

A blend to soothe and balance the mind and body. Soothing and sensual Ylang Ylang relaxes and strengthens the soul, to reduce stress and calm

DETOX

A beautiful warm, spicy, citrus aroma. This is a powerful aromatic blend specifically selected to help detoxify and purify

STRESS MANAGEMENT

A powerful aromatic blend of Organic Orange to uplift and energize, Lavender to balance and calm and Sandalwood to de-stress

CLEAR MIND

Woody and slightly camphorous aroma. Perfect for clients with fatigued minds to help provide energy and clarity

SPIRITUAL HEALING

A finely tuned combination of essential oils to uplift the spirit, particularly good for those in need of emotional healing

HEADACHE RELIEF

Essential oils of Eucalyptus and Grapefruit, incorporated with relaxing and balancing oils make this the ideal blend for headache sufferers
