D-	3/4 IN.24 IN. PIPE	4
E-	3/4 IN.8 IN. PIPE	2
INCLUDES		
A	3/4 IN. SCREWS	16

This kit is made of industrial grade authentic pipe. It is coated in oil post production to prevent rust. The kit should be cleaned and sealed to prevent rusting. See Clean and Seal sheet for more information on cleaning and sealing your pipe kit or watch the clean and seal video on the listing.

## INSTALLATION INTO WOOD TOP

1. Put legs together as shown above. Hand tighten each flange to the pipe.
2. Using a drill, screw legs into the tabletop. We recommend using setting #10 to prevent stripping the wood. There is no need to pre-drill.
3. You can untighten each flange to help level the table.
