

Locket Photo Guide

Getting Your Photo Ready

Print Your Photo

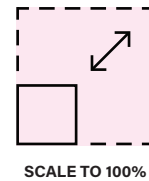

Print your photo at approx
0.75" x 0.75"

1

Print Out Template

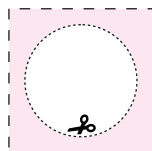

Ensure you are printing to
100% scale.

2

Cut Your Locket Shape

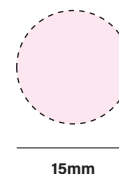

Cut the template and place it on
top of your photo. Trace around
it and cut out your photo.

3

Place Your Photo Inside

Secure your photo with a dab of
glue if needed.
