IF YOU ONLY READ ONE THING, READ THIS!

You **MUST** insert an extra Exploding Kitten to play with this expansion. So the total number of Exploding Kittens is **THE SAME** as the number of players!

SETUP

- 1 Remove the **Exploding Kittens** and **Defuse Cards** from your Exploding Kittens deck as normal.

- 2 Remove the Exploding Kitten (1) from the Streaking Kittens expansion deck.

- 3 Deal 1 Defuse Card to each player.

- 4 Combine the remaining Defuse Cards with the 14 remaining Streaking Kittens expansion cards and shuffle the cards into the main deck.

Depending on how many people are playing, there will be some Defuses left over. Shuffle 2 of the extras back into the deck, and put the rest away.

- 5 Deal 7 cards face down to each player for a total of 8 cards per player. Look at your cards but keep them secret.

- 6 Insert enough Exploding Kittens back into the deck so that the total number of Kittens is **equal to the number of players** — this is 1 more Exploding Kitten than normal because the Streaking Kitten Card allows a player to hold an Exploding Kitten in their hand without exploding!

IMPLODING KITTENS EXPANSION

If you are playing with the Imploding Kittens expansion deck, insert the Imploding Kitten and enough Exploding Kittens back into the deck so that the total number of Kittens (Imploding and Exploding) is equal to the number of players.

- 7 Remove any extra Exploding Kittens from the game.

- 8 Shuffle the deck, and put it face down in the middle of the table.

This is your Draw Pile.

(Be sure to leave some space for a Discard Pile as well.)

- 9 Pick a player to go first and start playing as usual.

FASTER GAME VARIANT

Before inserting any Kittens into the deck, randomly remove about one-third of the deck from the game (you will be playing with approximately two-thirds of a deck, but you won't know which cards have been removed). Then, shuffle the appropriate number of Exploding Kittens into the Draw Pile and start the game.

STREAKING KITTENS

FIELD GUIDE

STREAKING KITTEN 1 CARD

While this card is in your hand, you can also secretly hold 1 Exploding Kitten without exploding.

BUT...

If the Streaking Kitten leaves your hand for any reason, the Exploding Kitten in your hand will explode. You must defuse it or die.

If another player steals or receives an Exploding Kitten from your hand, they explode. They must defuse it or die.

If you take any action causing you to play an Exploding Kitten from your hand into the Discard Pile, you explode. You must defuse it or die.

IMPLODING KITTENS EXPANSION

The Streaking Kitten does not allow you to hold an Imploding Kitten in your hand.

ATOMIC BOMB 1 CARD

Remove all the Exploding Kittens from the Draw Pile so that everyone can see them. Then, shuffle the Draw Pile and return all the Exploding Kittens face down on top.

Then, end your turn without drawing a card.

IMPLODING KITTENS EXPANSION

If you are playing with an Imploding Kitten Card, do not remove the Imploding Kitten when you remove the Exploding Kittens.

EXPLODING KITTEN 1 CARD

You must show this card immediately. Unless you have a Defuse Card, you're dead. When you die, put the kitten that killed you face up in front of you so that everyone can see that you're dead, and put the rest of your cards face down in front of you.

SUPER SKIP 1 CARD

This is useful when you've been attacked.

End your turn without drawing a card. If you're supposed to take multiple turns, end them all.

SEE THE FUTURE (5X) 1 CARD

Privately view the top 5 cards from the Draw Pile and put them back in the same order. Don't show the cards to the other players.

ALTER THE FUTURE (5X) 1 CARD

Privately view the top 5 cards from the Draw Pile and rearrange them in any order you'd like. Return them to the top of the Draw Pile face down, then continue with your turn. Don't show the cards to the other players.

SWAP TOP AND BOTTOM 3 CARDS

Swap the top and bottom cards of the Draw Pile without looking at the cards.

GARBAGE COLLECTION 1 CARD

Every player who has cards (including the player who played this card) must choose 1 card from their hand to secretly insert into the Draw Pile. Then, shuffle the entire Draw Pile.

If you have an Exploding Kitten in your hand (see "Streaking Kitten"), you can use it as your chosen card when Garbage Collection is played.

MARK 3 CARDS

Pick a target player. Randomly pick 1 of their cards and "Mark" it by returning the card to their hand facing out to the other players. The card is still part of their hand (and they can look at it), but it must stay Marked until it is played or stolen.

If a Marked card is stolen, it doesn't stay Marked.

CURSE OF THE CAT BUTT 2 CARDS

Pick a target player. That player must immediately make their cards **CURSED** by putting them face down on the table and shuffling them. The Cursed player is not allowed to look at any of their cards until they successfully draw a card from the Draw Pile without exploding.

On their turn, if the Cursed player decides to play any cards, those cards must be picked randomly and played face up on the Discard Pile. If the card is playable, play as normal. If not (a single Cat Card, etc.) the card is lost.

BUTT...

CURSED Exploding Kitten

If you draw an Exploding Kitten (and don't have a Streaking Kitten), that does not count as successfully drawing a card. You must now play cards without looking at them until you play a Defuse. All non-Defuse Cards played are lost without any effect. After successfully defusing the Exploding Kitten, you can return to non-Cursed play.

If you play an Exploding Kitten while Cursed, you explode immediately and must defuse the Exploding Kitten without looking at your cards or die.

If you're the most unlucky person in the world and play an Exploding Kitten while trying to defuse an Exploding Kitten, you must defuse each of them before continuing.

CURSED Favor

If you play a Favor Card while Cursed, you may look at the card you receive before turning it face down and shuffling it into your hand on the table.

CURSED Mark

If an opponent Marks you while you are Cursed (or if you become Cursed while holding a Marked card), the Marked card must remain facing the opposite direction from the rest of your hand until it is played or stolen.

CURSED Three of a Kind

If an opponent plays the "Three of a Kind" special combo on you while you are Cursed, find the card requested (if you have it), give it to them, then put your cards back on the table face down and shuffle them.

CURSED Garbage Collection

If Garbage Collection is played while you are Cursed, you must pick a card to contribute without looking at your cards. After you have made your selection, you may secretly view the card (so that if you've accidentally given up a Streaking Kitten and you're left with an Exploding Kitten in your hand, you can try to defuse it).
