# Current Impact

All wood is from PEFC Certified Sustainable Sources.

At Pepe we have always had a special interest in trees and the importance of sustainable forestry. That is why we are committed to buying the wood for our furniture from PEFC accredited forests and are part of a rigorous chain of endorsement as the wood passes through the supply chain.

Undertake our annual & quarterly business plans with sustainability in the forefront of our minds.

Introduce a Electric Car Scheme.

Install Electric Car Chargers at our offices in Devon.

# Future Goals

Evaluate company policies to make an impact on sustainability.

Investigate carbon neutral deliveries.

Improve packaging to become recyclable, biodegradable or compostable.
