
Sustainability Report

Pepe Garden Furniture LTD

2023

2023

1. Current Impacts
 2. Future Goals
-

Current Impact

Introduced policies to mandate our work to continuously improve our sustainability as a company.

Evaluated our companies carbon footprint.

Made all deliveries carbon neutral.

Made Packaging 100% Recyclable, Compostable or Biodegradable.

Reduced corporate travel by over 20% to reduce carbon footprint.

Future Goals

Work towards becoming B-Corp Certified.

Investigate making packaging plastic free.

Investigate joining a tree planting scheme.

Investigate carbon avoidance schemes to become carbon neutral as a company.

Further reduce corporate travel to reduce carbon footprint.
