Directions:

1. FIRST! Check the scale below against an actual ruler.

2. Place this on a smooth hard surface.

3. Step on the sandal shape with your foot centered on the shape.

4. Determine your size. You don’t want a lot of room in front of your toes or behind your heel.

For expert help, take a photo of your foot on this template and email us at: support@lunasandals.com

VERY IMPORTANT!

Print at 100% scale. If this scale doesn’t match your ruler re-print this template and be sure to set your computer printing setup scale to 100% or ‘actual size’. Be sure ‘scale to fit’ is not checked.
