Welcome to SofaSofa

When my family set up our first upholstery workshop almost 40 years ago we had one simple aim; to produce high quality British upholstery for sale direct to the public. Cutting out the retail middleman was a pretty revolutionary idea back then, and I guess we were pioneering in a way. But we recognised that the public were getting a raw deal from retailers and we could offer significant price reductions by selling direct with prices free from retail overheads and profit margins.

Nowadays, the concept of direct selling is not so unique, but it is no less effective. We continue to manufacture all our products in-house in one of our three production workshops in South Wales and deliver direct to households across the UK. Our prices remain unburdened by retailer mark ups or financial gimmicks. We also don't believe in renting expensive city showroom space, preferring to keep our costs and prices as low as possible.

Of course not having numerous showrooms cuts down on cost, but it also means our customers cannot always travel to our factory showroom to try before they buy. Our solution to this is quite simple. Our no risk 21 day money back guarantee allows customers to try their new furniture risk free not in a showroom, but in the place that really matters, their home; and not for a couple of hours but for three weeks.

Since we began in 1981, we have always manufactured our sofas and chairs exclusively in the UK. We have built up a highly skilled team of cutters, sewing machinists and upholsterers many of whom have been with us since our early days. We are proud to continue a long tradition of British upholstery craftsmanship and we look forward to helping you choose your next Great British Sofa.

Your Triple Guarantee

1. No risk 21 day money back guarantee

We know that choosing a new sofa online means you can't necessarily try it out first. That's why we offer a 21 day money back guarantee on all our furniture. You have 21 days from the day of delivery to try out your new sofas and chairs in the place it matters; your home. If, for whatever reason, you decide your new purchase is not quite right for you, simply let us know within 21 days and we will come and collect it free of charge.* We will refund your money in full including all delivery charges so you are not left out of pocket. Alternatively we will happily organise an exchange to a different model, colour or size.

And we promise not to quibble or pout.

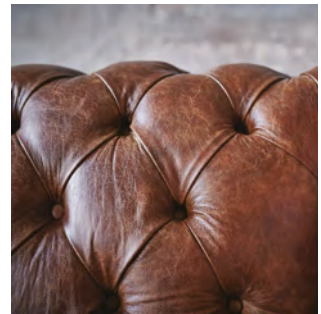

2. Two year product warranty

All SofaSofa furniture is guaranteed for two years against any defect in manufacture and materials, allowing for fair wear and tear. That includes the fabric, castors, foam, piping, cushions, leather, webbing, fillings, tassels, feet, and springing. In fact everything, right down to the brass tacks. In the unlikely event of a fault, we will collect, repair and return the furniture to you entirely free of charge.

3. Five year frame warranty

In addition to our Two Year Warranty all SofaSofa sofas and chairs come with a Five Year Frame Guarantee. All our frames are constructed using non tropical hardwoods so you can be confident of many years 'creak free' lounging. Again, in the unlikely event of a fault within five years, we will collect, repair and return your furniture to you entirely free of charge.

* Collection charges will apply to all Scottish areas (Sorry Highlanders!). Charges will reflect the initial delivery charge.
