Base

H: 14.75 (37.465cm)
W: 43 (109.22cm)
D: 43 (109.22cm)

construction and details

This Craft Associates® cast bronze base is constructed by artisans who hand-weld and hand-patina each piece. The top is 3/4" glass with a standard 48" diameter, but the base can accommodate a much larger piece of glass.
