100% of the profits from the Bigley's Walk For The Cause go directly to the Kawartha North Family Health Team to fund the Bobcaygeon and Fenelon Falls walk-in clinics. Our neighbourhood walk-in clinics are operated entirely by donations and fundraising. This critical service was founded in 2006, and is composed of physicians, nurse practitioners, and registered nursing staff who are further supported by highly dedicated clinic coordinators and an array of allied health professionals. Thank you for your support.
