

TROUBLESHOOTING CLEANING & WARRANTY

1. Cannot stress how important it is to check filters every day that is Blue, white & green bags and rear filters 1uM & 5uM.
2. Remember it is just like a vacuum cleaner if not kept clean will not work properly.
3. Blue bag daily, Green & White bags weekly and rear filter every 2 weeks.
4. NO BAGS should be left for more than 14days.
5. Your warranty can be made void by NOT cleaning as instructed or ABUSE of the system.
6. Do not store for long periods with water in sump or wet filters in rear housings as the water will go stale & smell,
7. If you are getting ODOURS from your unit, give it a complete clean, Bags x 3, Filter cartridges x 2 and empty sump & wipe clean – refill.

[Stocks of these bags & filters can be purchased online here](#)
