

CLOSET MONSTER

The **Closet Monster** is especially useful for boxing tight areas where a longer handle will not fit.

At approximately 19 inches in overall length this short handle is a great option for closets and other small spaces. An adjustable wing-nut on the head allows you to fix the box at your desired angle.

Item No.

180° GRIP FLAT BOX HANDLE

180° Grip Flat Box Handles allow for continuous braking over the entire range of motion - a complete 180 degrees.

This ensures that you never lose your grip when adjusting your position. Extra strong aluminum design for years of rugged use.
