LUXIA Magazine is an upscale Beauty & Fashion Magazine published monthly, featuring high quality photography, dedicated to provide original, different, unique & creative fashion editorial content.

We always believed that success is about seizing opportunities in life. Our goal with LUXIA is to provide photographers, fashion designers, makeup artist, hair stylist... an opportunity to showcase their work, a platform to promote their creativity, originality and authenticity.

For those already established, an amazing possibility of reaching out to audience from all around the world, & for those who are starting, an opportunity to break into fashion.

We want to find a spread of amazing and creative material, showcase it & encourage it to grow by putting the spotlight on promising artists.

LUXIA Magazine is more than just another magazine, it is visually driven with an international scope, and its content, carefully selected, celebrates a mix of different talents and styles, all blended together to create each issue.

The God has believe in you even if you don't.' she said,
'Thats why I am here, to be a thread of your tapestry,
even you couldn't see the whole picture quite just yet
