This final amount will be added to your invoice. All shipments are sent insured so that if there is damage or a lost package it will be automatically replaced at no additional charge to you. Our normal turn-around is to ship all orders within 5-7 business days of receipt. Please allow another 2-5 business days for transit. If you have a shipping account, please provide that to us and we can use it for your shipping charges. We use recycled boxes and packing material wherever possible and encourage you to also reuse or recycle the materials sent to you.

Pricing

Most items have UPC codes and are not pre-printed with retail prices. Our line is priced to allow you keystone mark up with the exception of a few items. Prices may change without notice.

Return Policy

If you desire to return an item please contact us within five days of receipt of your order for instructions and return authorization number. For damaged shipments, please retain all cartons showing physical evidence of damage and call us immediately. All claims must be made within five (5) days of receipt of merchandise. Liability for merchandise qualifying for credit is limited to the value of the products returned.

Terms

We prefer your first order be prepaid by credit card, money order or check. Net 30 terms may be requested by filling out the YTN Credit Application. Out of Stock/Discontinued

We attempt to fill each order completely, but occasionally may be out of stock of an item. To keep the paper work to a minimum we determine if we can backorder or need to cancel the item. If we are going to backorder it for you, we charge you for the entire order and shipping on your original invoice and when the backordered item comes in we ship it to you. If the item is backordered more than a couple of weeks we will contact you and may make other arrangements. Just as we develop new products, we occasionally discontinue others. We apologize if discontinued or out-of-stock products create an inconvenience for you or your customers.

Reordering

We make it easy to reorder. Just give us a call or send an email with what items you are out of, and we will take it from there. Remember to let us know if you need any new displays! Our reorder minimum is \$100.
