

Adrien Redon

The Redon family has been tending vines and making Champagne in the village of Trépail since 1982. After two decades as vigneron, Pascal Redon and his wife, Pascale, passed the estate to their eldest sons Adrien and Hugo. With Hugo's behind-the-scenes help in the vineyard and in the production house, head vigneron Adrien crafts his own unique style of Champagne. His low-dosage cuvées highlight the extraordinary chardonnay grapes born of the area's beautiful chalky soil.
