Hello Store Manager,

I am a big fan of Kakookies and I'd like very much if you would consider carrying Kakookies in your store. If you aren't familiar with Kakookies, they are deliciously flavorful "better for you" grab~ n~ go cookies made with clean, superfood ingredients. (GF and vegan too!)

Please contact Kakookies by emailing them at info@kakookies.com to discuss bringing them into your store so that my friends and I can purchase them from you locally!

I'd also appreciate it if you would contact me when Kakookies are available for me to purchase in your store. Thank you very much!
