

HOW TO SELL YOUR TANTUS TOYS

The most effective way to sell your new Tantus Toys is to train and educate your sales staff on how Tantus is different. Tantus is an educated-based sale, and consumers must know what differentiates Tantus Toys from the competition.

The Tantus brand is all about **GOOD CLEAN FUN** with products that are green, safe, and sexy.

1 Tantus Toys are safe for the body

Tantus Toys are hypoallergenic, non-toxic, and phthalate-free.

Tantus Toys are made using high quality materials, including:

- Our own unique formula of 100% Ultra-Premium Silicone
- 100% genuine leather and nickel-free metals for harnesses and straps

Tantus uses a third-party validation company for quality-control to ensure that Tantus Toys are safe and healthy for the body

2 Tantus Toys are good for the body

Each Tantus Toy is ergonomically engineered and anatomically tested to emphasize comfort while maximizing pleasure.

3 Tantus Toys are sexy, colorful, and fun

Tantus Toys are vibrant, colorful and use the safest colorant materials.

4 Tantus Toys will last a lifetime with minimal care

Unlike toys made of jelly, Tantus' own unique formula of 100% Ultra-Premium Silicone is odorless, boilable, and bleachable. You can even throw it in the dishwasher for an easy clean.

Tantus' 100% Ultra-Premium durable leather harnesses can be quickly wiped clean with a damp lint free cloth, and anti-bacterial soap.
