

## 100% ULTRA-PREMIUM SILICONE

All Tantus Toys are made from Tantus' own unique formula of 100% Ultra-Premium Silicone. The superior quality of Tantus silicone makes all Tantus Toys hypoallergenic, non-toxic, phthalate free, odorless, bleachable, boilable and even dishwasher safe. These factors combined make Tantus Toys the safest and most pleasurable toys on the market. A toy from Tantus is meant to be used and with minimal care Tantus Toys can last a lifetime.

### Tantus Capsule Super Soft

Ground control to Major Come... The Capsule will send you to the moon with its sci-fi, industrial-like features: riveted grooves and paneling with texture doorframes- all ready to blast you off. With the Capsule, you'll be coming home.

Made from Tantus' own unique formula of 100% Ultra-Premium Super Soft Silicone. The Super Soft Silicone gives a luxurious texture to make the ride even more amazing.
