

100% ULTRA-PREMIUM SILICONE

All Tantus Toys are made from Tantus' own unique formula of 100% Ultra-Premium Silicone. The superior quality of Tantus silicone makes all Tantus Toys hypoallergenic, non-toxic, phthalate free, odorless, bleachable, boilable and even dishwasher safe. These factors combined make Tantus Toys the safest and most pleasurable toys on the market. A toy from Tantus is meant to be used and with minimal care Tantus Toys can last a lifetime.

Tantus Dragon Tail

Sometimes you want stingy, sometimes thuddy, and sometimes... you just want to wag the tail. Introducing the new Tantus Dragon Tail, your one stop silicone toy for stingy, thuddy, and insertable Tail needs. The narrow tip gives an amazing bite and gets in those hard to hit places other paddles can't. It's perfect for genital and targeted impact as well as good all around play. Invert the paddle and the handle gives a nice thuddy hit. The rest of the handle offers up 7 inches of insertable length so you too can be the best dragon you can be. Silicone is perfect for impact play. It transmits energy like no other material. It's durable and you can hygienically clean it. It's safe to use after cleaning with multiple partners.
