

100% ULTRA-PREMIUM SILICONE

All Tantus Toys are made from Tantus' own unique formula of 100% Ultra-Premium Silicone. The superior quality of Tantus silicone makes all Tantus toys hypoallergenic, non-toxic, phthalate free, odorless, bleachable, boilable and even dishwasher safe. These factors combined make Tantus toys the safest and most pleasurable toys on the market. A toy from Tantus is meant to be used and with minimal care Tantus toys can last a lifetime.

P

Tantus Severin Super Soft Large

Severin is part of the 100% Ultra-Premium Super Soft Silicone plug line. Severin comes in three different sizes each designed to make taking larger plugs easy and safe. Severin is a two tiered plug with a long neck; as you gradually relax your anal muscles you achieve greater anal ability.

Made from Tantus' own unique formula of 100% Ultra-Premium Super Soft Silicone. The Super Soft Silicone gives a luxurious texture to make the ride even more amazing.
