

# UNCUT #1

The Uncut #1 is an incredibly realistic uncircumcised dildo. Part of Tantus' Dual Density O2 line, the Uncut features a Super Soft™ outer layer and a firm inner core for a little give and a lot of get.

Together with detailed skin texture, pores, veins, and wrinkles, the Uncut looks and feels remarkably real. It's all about that foreskin!

All Tantus Toys are made from Tantus' own unique formula of 100% Ultra-Premium Silicone. The superior quality of Tantus Toys makes them non-toxic and phthalate free. A toy from Tantus is meant to be used and with minimal care a Tantus Toy can last a lifetime.
