pet care dental spray

100% MINERAL: Mineral based Hypochlorous acid (HOCl) formulated to be pH balanced. Free from any harmful chemicals. It's also cruelty free, vegan and family friendly too.

KIND & GENTLE: Effective against bacteria, painless application with no brushing required – simply spray into your pet's mouth and around their gums. Dew Pet Dental Spray has a natural saline base (the same solution used in hospital intravenous drips) carrying a small amount of hypochlorous acid (HOCL), a substance your pet's body makes naturally, to fight infection. Dew Pet Dental Spray uses that same substance to dismantle, destroy, or change odour-causing compounds (depending on the compound) so that they no longer smell.

FAST ACTING RELIEF: Do you know? by the age of three, 70% of cats and 80% of dogs have some form of periodontal disease, which can take years off their lives. So, you are right to be concerned. Our Dew Pet Dental Spray helps to stop even the toughest dog and cat bad breath and its 99.99% effective against bacteria too.

MADE IN UK: Dew products enhance the power of minerals using science to create safe, reliable yet highly effective, 100% natural and non-toxic cleaning solutions manufactured in Scotland. Dew - the world's kindest cleaning product.

pet care eye drops

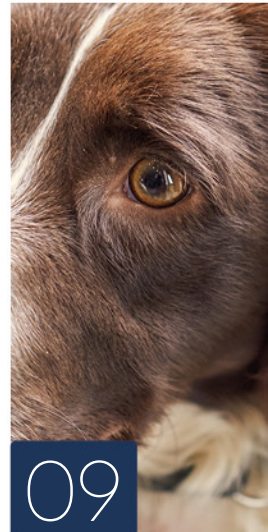

100% MINERAL: Our mineral-based formula is pH balanced, free from alcohol, parabens, scents and dyes. That's why our Pet Eye Drops are hypoallergenic, non-irritant and they're vegan friendly too.

KIND & GENTLE: Dew Pet Eye Drops technology is a clinically proven, cleansing antiseptic, making it the perfect solution to use to care for your pets' eyes. It provides soothing, antimicrobial cleansing, in and around the eyes and for minor cuts and abrasions. Use as a daily eye maintenance, to flush irritants and allergens from your pets' eyes, tear-ducts and surrounding area.

NO MORE TEARS: Our Pet Eye Drops no-rinse formula doesn't irritate, or sting – it's not even harmful if licked or inhaled. You can use Dew Pet Eye Drops for all your pets. Our Eye Drops antimicrobial action helps to flush and clean eyes, relieve allergy symptoms, and clean tear stains.

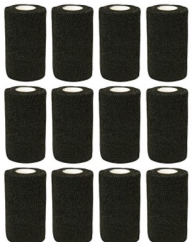

EASY TO USE: Using the Eye dropper applicator, gently place a few drops in the corner of your pet's eyes, taking care not to squeeze too firmly on the applicator. Use a soft tissue to remove any released debris. Repeat 3-4 times daily or as recommended by your vet. For ongoing maintenance, use once daily or as needed.

MADE IN UK: Dew products enhance the power of minerals using science to create safe, reliable yet highly effective, 100% natural and non-toxic cleaning solutions manufactured in Scotland. Dew - the world's kindest cleaning product.
