

## All the Coolest Hair-Care Products Coming in July

### Together Beauty

You didn't need another excuse to go to Sephora, but Together Beauty is happy to give you one. The brand is landing at the beauty retailer this month with a range that includes a shampoo, conditioning masque, a strengthening leave-in, a hair oil, and more. Each product is vegan and made without sulfates, gluten, parabens, formaldehyde, and synthetic fragrances. Just good, clean beauty that is 95–100 percent natural.
