

Eletta Explore Connect

Fully Automatic

Coffee Link App

Supports all functions such as clusters, cold drinks, TO GO function, favorites and creative recipes. App also activates bean adapt technology to guide for optimal bean settings.

Create Hot and Iced Coffees

Innovative new LatteCrema Cool consistently textures velvety cold milk froth at 20C, creating delicious hot and iced coffee beverages.

Explore the Widest Recipe Menu

Enjoy a wide variety of over 40 one-touch hot & iced coffee, milk, and to-go recipes, easily programmable to your taste and with 4 user profiles for individually tailored drinks.

Intuitive Colour Display

With a colour 3.5" TFT display and soft touch menu clusters, exploring and selecting the perfect coffee has never been so easy and intuitive. Save your favourites for quick and easy access.

Take Your Coffee To Go

The unique new To-Go function knows how to fill your Mug to Go, there are 3 sizes of coffee to choose from, and thanks to the liftable tray, travel mugs and cups up to 16cm high can fit with ease.
