

# Rivelia Automatic

## Fully Automatic

Prepare up to 16 different drinks, from Espresso to Latte Macchiato, from Americano to Flat White, with a delicious milk foam automatically frothed by LatteCrema Hot.

A super advanced automatic bean-to-cup machine in the smallest form-factor ever for De'Longhi. Its immersive UI guides you through every step with rich animations and a friendly tone-of-voice.

With the new Coffee Routines function Rivelia learns your coffee habits and adjusts your menu accordingly throughout the day.

### Bean Switch System

Rivelia lets you easily explore the world of coffee beans with the new Bean Switch System. Put your favourite coffee beans in one of the two bean hoppers and start enjoying a whole new bean to cup journey!

### Immersive Interaction

Get immersed in the full-touch coloured display of Rivelia and swipe through a wide range of drinks. With Coffee Routines Rivelia will adjust your coffee menu throughout the day according to your taste.
