

La Specialista Arte

Enjoy the Art of Making Coffee

Be the barista in your own home, with a simple and authentic process from grinding, dosing tamping and texturing. A complete set of barista accessories and exclusive technologies puts you in control, achieving in-cup results that perfectly match your personal taste.

Pre-set Beverages

Espresso, Long Black, and hot water at your fingertips. A professional metal tamper, a tamping mat, dosing & tamping guide, milk jug, two sizes single-wall filters; all the barista accessories to practice and experiment.

Full Control at Your Fingertips

Take complete control of the coffee-making process thanks to 8 grind settings, 3 temperature control and the My Latte Art Steam wand to create the perfect milk texture. All features, to allow the ideal coffee extraction, matching your taste with your favourite coffee beans.

Compact and Unique Design

Created to suit all lifestyles and kitchen spaces, the perfect compromise between performance and convenience.
