

Plus-Plus Ten Frame

Independent Activity
PreK-2nd

Learning Objectives:

STUDENTS WILL PRACTICE SUBITIZING, AND NUMBER SENSE.

Preparation:

Print Ten Frame printable for each child.

Materials:

Printable
Plus-Plus (10/student)
Standard Game Dice

Instructions:

Student rolls one die(6 is a roll again) places that many Plus-Plus in first line of frame
Then rolls again and places that many in the second line. Ask the student to tell you how many more Plus-Plus would they need to make 10?

Extension:

This can also be done with subtraction. Fill the ten frame with Plus-Plus and ask the student to remove the amount of blocks they roll. Ask "How many are left?"

Plus-Plus Ten Frame

Partner Activity PreK-2nd

Learning Objectives:

STUDENTS WILL PRACTICE SUBITIZING, AND NUMBER SENSE AS WELL AS COOPERATIVE PLAY AND PROBLEM SOLVING.

Preparation:

Print Ten Frame printable for each child.

Materials:

Printable
Plus-Plus (10/student)
Standard Game Dice
Flashcards

Instructions:

Round One:

Each player uses one color of Plus-Plus. One player rolls a standard game die and fills in that many squares. (6 means Roll Again). The other player has to determine the correct number to make 10.

Round Two:

Each player rolls (6 means Roll Again) and places that many of their color on one Ten Frame. How many total Plus-Plus?

Extension:

Have students use flash cards to test each other using ten-frames and Plus-Plus. One student shows flashcard while the other uses both players' colors of Plus-Plus on the ten frames to explain solution.
