

HOMESCHOOL CANADA STORE DOWNLOADABLE CONTENT AGREEMENT

Web Site: www.homeschoolcanada.ca

Email: store@homeschoolcanada.ca

Downloadable Content Policy:

Homeschool Canada agrees to display your downloadable product for sale on our store website for a minimum of one year. At the end of the first year, we will evaluate your sales. If sales are good, we will continue to sell your item. If sales are not going well, we will discuss with you options such as removing it from online, or making adjustments in content or price in an effort to increase sales.

We require you to provide us with two PDF files for each downloadable creation. One must be a sample. This can include some or all pages of your download, but must have the word "sample" displayed across each page, to ensure that people don't simply print it without paying for it. The other file must be the usable download that customers will only be able to access after they have ordered it and made their payment.

Your creation must be an original, created by you. Attempting to sell someone else's work as your own will result in immediate removal from our website, and termination of this agreement. In turn, Homeschool Canada agrees not to claim ownership of your creation as our own.

Pricing:

We will work with you to come up with a reasonable asking price for your downloadable content. If you have an idea of the price you wish to ask for, we will respect that. If you prefer for us to come up with a price, we will do that for you.

Reimbursement:

We will pay you 80% of your sales before taxes. Our commission is 20%. Cheques with a minimum of \$10.00 will be processed after every 6 months. If in any given pay period, your earnings are less than \$10.00, we will carry over that amount to the following pay period, until the end of the first year, at which time we will write you a cheque regardless of the minimum. We will mail your cheques to the address you provide below.
