Before printing be sure to select SCALE $100 \%$ and DO NOT ADAPT TO PAGE

Please, with a ruler, verify the scale below

Place the ring (preferably a simple band) in one of the circles, find the circle visible inside the ring. There must be no margin between the ring and the circle

If you are uncertain about two sizes order the larger one

$1,85 \mathrm{~cm}$

$1,88 \mathrm{~cm}$

$1,92 \mathrm{~cm}$

$1,95 \mathrm{~cm}$

$1,98 \mathrm{~cm}$

$2,00 \mathrm{~cm}$

$2,04 \mathrm{~cm}$

$2,06 \mathrm{~cm}$

$2,1 \mathrm{~cm}$

$2,12 \mathrm{~cm}$

$2,15 \mathrm{~cm}$

$2,19 \mathrm{~cm}$

$2,22 \mathrm{~cm}$

We cannot guarantee that ring sizing via paper will be accurate.
We highly recommend getting sized by a local jeweler
