

**Mounting instructions: Wolfman Peak Tail #TL-1
Thank You for Purchasing Wolfman Luggage!**

A Properly Mounted Peak Tail. FIG1

- 1- Use the 4 mounting straps to attach the Peak Tail to your rear rack.
- 2- Thread the loose end of the mounting strap through a slot or around a tube (Depending on the type of rack you have)
- 3- Thread the mounting strap back through the buckle. Repeat for the process.
- 4- Make sure the Peak Tail is centered on rack.
- 5- Tighten All 4 mounting straps securely.

If you have any questions about mounting the Peak Tail, please contact us at sales@wolfmanluggage.com
