

How to return your parcel with UPS?

You can easily create a return shipping label. Please follow the instructions below.
Further information can be found on the UPS website: <https://www.ups.com/>

1. Select „Return this Shipment“ from your tracking mail

2. Indicate your reason for return

3. Select Printing Option:
• Print Label
• Email Link
• Get Mobile Code

4. Print the label if you have selected „Print Label“ or „Email link“. If you choose “Get Mobile Code” you don’t need to print out the label. It will be scanned at your UPS Store. Find your nearest UPS Store here:
