## SANI HANDS TH

**NPN 02242309**

This product is an isopropyl alcohol-based hand sanitizer containing moisturizers and skin conditioners. It will reduce the risk of cross-contamination by providing reduction of bacteria and micro-organisms. It is excellent for use in food plants, hospitals, nursing homes and other facilities where sanitation is a high priority. It can be used on bare or gloved hands.

**DIRECTIONS:** Dispense approximately 3 ml of product onto hands, rub together vigorously until dry. Rinsing or drying is not required. Use after hand washing and between washings as needed.

**WARNING:** Avoid contact with eyes. If contact with eyes should occur, flush with water for 10-15 minutes. If irritation persists, seek medical attention.

**ACTIVE INGREDIENT:** Isopropyl Alcohol 70%.

**COMMERCIAL USE ONLY**
