PORTABLE WATER PLAY FEATURES  
MOBILE SPRAY & PLAY FEATURES  
DOG WATER PARK FEATURES  
PORTABLE SPLASH PADS

**My Splash Pad™** is the leader and innovator in the portable splash pad industry. Now you can turn your preschool, day care, or community dog park into an instant splash pad with

## MY PORTABLE SPLASH PAD™

### **My Splash Pad's Portable Splash Pad line and Mobile Spray and Play Features.**

Most of our products ship fully assembled and ready for outdoor water play fun. Simply place on a level surface on a patio, driveway, deck, or yard, attach a garden hose, turn on the water, and enjoy instant splash pad fun!

No electrical outlet needed. No chemicals required. And they are available to you at a fraction of the cost of a permanent concrete splash pad installation.

When you purchase from **My Splash Pad™**, you're purchasing direct from the manufacturer. No middle man. No trips to the big box store. We ship our products to your door from our manufacturing facility, right here in the USA.

Are you ready to enjoy the splash park experience?

**TURN YOUR  
PRESCHOOL, DAY CARE, YARD, PATIO,  
DRIVEWAY, OR COMMUNITY DOG PARK  
INTO AN INSTANT SPLASH PAD  
WITH MY SPLASH PAD'S

## FEATURE REQUIREMENT

- This feature requires **My Splash Pad™ 5' or 7.5' Portable Splash Pad.**

We've taken dog pools to the next level with **My Splash Pad's™ Dog Wading Pool Play Features!** Our unique design offers safe, chemical-free water play for your fur friends without a ton of water waste. That's because our splash pool for dogs uses a recirculation system that sanitizes the water with a UV light (which kills 99.99% of all viruses and bacteria), and our pump and filter keep the wade pool crystal clear.

# DOG WADING POOL

## INCLUDED WITH PURCHASE

- Made in the USA by **My Splash Pad™**
- 3 year limited warranty on the fiberglass
- 1 year limited warranty on the piping, water play feature base, and components
- Assembly required.
- Hayward 1.5HP pump with 150 sq ft cartridge filter system
- 15w UV Light
- Inline chlorinator
- **Size:** 7.5' W X 7.5' L X 9" depth
- **Weight:** Approx. 125 lbs. empty; 1,500 lbs. full
- **Construction:** Marine Grade Fiberglass with a wall thickness of 1/2"
- **Surfacing:** interior: Gel Coat  
exterior: MSP Anti-Slip Coating
- **Add-On Feature:** The center of the Portable Wading Pool comes equipped with a feature base already installed. This allows you to expand your water play fun to include any one of our **4' tall and under portable splash pad water play features** at any time, with ease. If no center feature, then you are supplied with a blank cover plate, for the feature base.

**OUR PORTABLE SPLASH PAD PLATFORMS  
ARE QUALITY PRODUCTS CRAFTED FROM  
MARINE GRADE FIBERGLASS AND  
COVERED WITH MSP ANTI-SLIP COATING.  
WITH OUR LED COLOR CHANGING LIGHTING  
SYSTEM OPTION, YOU CAN ADD EVEN MORE  
FUN FOR AFTER THE SUN GOES DOWN!**

The **My Splash Pad™ 7.5' Portable Splash Pad with MSP Anti-Slip Coating** is the largest one we offer from our portable line. Because of its size, it is compatible with all of our portable splash pad water play features. This gives you the greatest flexibility in creating your own water playground.

# 7.5' Portable Splash Pad

## INCLUDED WITH PURCHASE

- Made in the USA by **My Splash Pad™**
