A black Maxima camera case is shown open, revealing a Canon EOS camera with a lens attached. The camera is resting on a grey foam insert with red accents. The case has a metal latch on the left side and a circular logo on the front. The Maxima logo is prominently displayed in the center of the image.

MAXIMA®

MAX

Le valigie MAX Cases sono certificate IP67, abilitate alle norme STANAG 4280 e DEF STAN 81-41 e codificate NATO (NSN). L'eccezionale resistenza ad urti, polvere ed agenti atmosferici rende queste valigie ottimali per molteplici campi d'applicazione tra cui sicurezza, forze dell'ordine, militare, caccia e outdoor, nautica, fotografia, broadcasting e diversi altri settori dell'industria manifatturiera.

Max Cases are our watertight line, which was created to offer superior protection from the elements, water, dust and impacts when transporting fragile and valuable objects. IP67 and military certifications make these cases suitable for a wide range of applications such as marine, photography & broadcasting, scuba diving, outdoor sports, medical, military, special corps and even the manufacturing industry.
