

We fell in love with Elle on Instagram, captured by the atmosphere of her period home where modern and rustic elements blend together creating a space unlike any other.

In today's blog post, **Elle Hervin** – a former journalist turned full time content creator, writer and interior stylist – shares with us her top tips for creating a **modern-rustic kitchen**.

Pour yourself a cup of tea and head to [Casa Ruffoni](#), our blog.

"Introducing **warm wood** and **copper tones** to the space complements the dark cabinets and the kitchen immediately becomes more 'relaxed' in style and atmosphere." *Elle Hervin*

Elle's curated selection for a modern-rustic kitchen:

Opus Cupra  
5qt braiser

Olivewood  
boards

Opus Cupra  
4qt chef pan
