CHOICE MULTI-USER GRILL F

CHOICE MULTI-USER ACCESSIBLE GRILL ACCESSORY

Choice Multi-User built-in grills may be retrofitted in the field to provide operational enhancements for individuals with disabilities. Applying ADA best practices, an easy-to-install kit is available to add modified control knobs and a side handle for the oven hood to increase accessibility. The post mount model is factory configured to include these changes and is 32" high to lower the grill height. Other installation requirements apply for built-in units - always check local specifications.
