DIRECT VENT
GAS FIREPLACE INSERTS

MAJESTIC

Convert a drafty, wood-burning fireplace into an efficient, beautiful focal point.

## Install a Majestic gas fireplace insert in just three easy steps.

Ruby 35" with Contemporary Arch front and surround in New Bronze with Tavern Brown interior.

1 STEP ONE: Measure your existing fireplace opening and choose your insert

The height, width and depth of the existing fireplace opening is needed to ensure an appropriately sized insert is selected.
A. Fireplace front width _____

B. Fireplace front height _____

C. Fireplace back width _____

D. Fireplace depth _____

E. Hearth to mantel height _____

2 STEP TWO: Select your surround and front

A surround fills the gap between the fireplace insert and existing fireplace opening. Choose from three sizes and two finishes for a unique look.

Personalize your insert with a front that fits your style. Select from three styles and two finishes.

Surround   Front

Front and Surround Finishes

Black   New Bronze

3 STEP THREE: Select your options to customize your insert

Choose from our collection of interior panels, contemporary conversion kits and interior media to put the finishing touches on your insert.

SURROUND SIZE	TRILLIANT & RUBY 35IN	TRILLIANT, RUBY & JASPER 30IN	TRILLIANT & RUBY 25IN
Small	42" x 29"	40" x 27"	35" x 23"
Medium	44" x 32"	42" x 30"	37" x 26"
Large	48" x 32"	44" x 32"	39" x 28"

Cover: Ruby 30 with Clean Screen front and surround in black, and reflective black glass interior.

Technologies

Direct Vent Technology

Direct Vent gas inserts remove 100% of combustion exhaust and fumes to the outside of the home. These sealed fireplaces provide optimal heat, conserve energy and ensure clean, safe indoor air quality.

Trilliant Series
Efficient Heat

Trilliant's steel tube heat exchangers and the variable speed fan drive hotter air into the home faster.

Trilliant and Ruby Series
IntelliFire Touch Ignition System

IntelliFire Touch is our most advanced intermittent-pilot ignition (IP) system, making operating your appliance simple, smart and safe. Select from the IntelliFire app, touchscreen remote or wireless wall switch for the solution that fits your life.
Jasper
IntelliFire Ignition System

IntelliFire features intermittent-pilot ignition (IPI) allowing you to conserve fuel and money when the fireplace is not in use.
