### #304 Stainless Steel Construction

TrueFlame grills are constructed of the highest quality #304 stainless steel, adding a luxurious sheen and elegant touch to your backyard. This premium material is highly resistant to rust, discoloration, and wear, ensuring that your grill looks great and performs reliably for years to come.

### 14,000 BTU Cast Stainless Burners

A trusted Flame-Thrower Ignition mechanism ignites 14,000 BTU cast stainless burners, supplying incredible heat for searing and grilling. These burners are cast from #304 stainless steel, ensuring a longevity, durability, and performance.

### Interior & Exterior Lighting

Two interior halogen lights help illuminate the expansive grilling surface, while a full-length LED strip gives maximum front panel visibility. The knobs feature a backlit ON/OFF indication light, so you can easily and safely see which burners are ignited.

### IR Back Burner & Rotisserie Kit

The 32" and 40" models feature a 10,000 BTU Infrared Back Burner and Rotisserie Kit, allowing you to enjoy perfectly cooked, juicy meats as they slowly turn on the spit, infusing them with delicious flavor and an irresistible aroma.

### Square Cooking Grates

Heavy-duty square cooking grates increase the contact surface with your food, offering beautiful grill lines and bolstering the flavor profile. These cooking grids are stainless steel, making them long-lasting and easy to clean.

### Warming Rack with Cooking Tray

A full-length, stainless steel warming rack not only adds to the useable cooking surface of your grill, but also features an inset, removeable stainless steel tray for cooking vegetables, searing, roasting, and more.

### Multi-Position Hood Hinge

The balanced, multi-position hood hinge allows you to open your hood to any degree, gaining access to your food without losing too heat—plus, the knurled finish of the stainless steel hood handle provides extra grip when lifting the hood.

### #304 Stainless Steel Flame Tamers

The #304 stainless flame tamers / burner covers are designed to provide superior protection and durability to your grill's burners, while also distributing heat and vaporizing drippings. They are easy to remove and install, making it effortless to maintain the quality and cleanliness of your grill.

## Freestanding Carts

TrueFlame's premium grill carts offer an alternative solution to outdoor dining. Durable and sleek, these stainless steel carts feature soft close drawers, propane tank storage, and collapsible shelving.
