Sets up in minutes with step-by-step assembly instructions allowing you more time to enjoy your fireplace.
-  **Remote**
Includes a convenient remote control for ease of use at your fingertips.

* Based on national average residential electricity rate. Rates vary.

Water reservoir

Revolutionary ultrasonic technology is used to create the flame and smoke effect of the Dimplex Opti-myst®. As the mist rises up through the curved plate, the light reflects against the water molecules creating a convincing illusion of flames and smoke. The result is an appearance so authentic it will be mistaken for a true wood-burning fire.

120 Volt / 200 Watt
