1 With the parts laying on a soft surface start by assembling the top shelf and the top screw. This way the parts will hold while you attach the other screws.

We recommend that you assemble your Plié with its back laying on a soft surface such as a carpet.

2 Do not forget to put a washer in between the nut and the Plié.

3 Last step is to slide in the four rubber feet on the bottom part of the Plié.

UTIL

Founded in 2017 and led by Portuguese designer Manuel Amaral Netto and business strategist Tomás Carvalhas, UTIL is a young Lisbon based design brand with a clear focus on enduring and functional storage furniture made from high quality materials. Transcending product design, UTIL's philosophy of simplifying and focusing on the essential is inspired by people and everyday life, every piece of the formally simple and architectural influenced collection is made to last a lifetime.

FROM INDUSTRIAL DESIGN

Is a collaboration between Cesare Bizzotto and Tobias Nitsche.

The italo-german duo met during their masters degree in ECAL, Switzerl. Since then been developing industrial products in the fields of furniture and lighting. They are known for developing inovative and forward thinking solutions while always keeping an edge in their aesthetics. They have designed the Plié Shelving System for UTIL.
