

These quick steps will guide you throughout the assembly of all of the wall mounted versions of the Plié.

Tools and parts Included:

**1** With the parts laying on a soft surface start by assembling the top shelf and the top screw. This way the parts will hold while you attach the other screws.

**2** Place the top door slider fixture on the top shelf. The elbows should be placed facing outside to hold the door slider.

**3** With most of the Plié assembled now is the best time to drill the wall holes.

**4** Make the markings on the wall according to the dimensions below.

Ground

**5** After fixing the wall fixture you just need to slide in the Plié Unit from above

**5<sub>a</sub>** Fix the screws in the holes letting a gap to slide de the wallmount Plié.

**5<sub>b</sub>** Slide the wallmount Plié to the wall. Tighten the screw until the wallmount Plié is fixed.

**6** Place the top and bottom door sliders.

**6<sub>a</sub>** Once positioned in place don't forget to lock the slider by turning the small screw.

**7** Fix the Wallmount Plié doors.

**7<sub>a</sub>** Place the doors by sliding first the back door in the gap and then letting it fall on the bottom slider.

**7<sub>b</sub>** Do the same for the other door by placing it in the front gap and you are good to go!

## **UTIL**

Founded in 2017 and led by Portuguese designer Manuel Amaral Netto and business strategist Tomás Carvalhas, UTIL is a young Lisbon based design brand with a clear focus on enduring and functional storage furniture made from high quality materials. Transcending product design, UTIL's philosophy of simplifying and focusing on the essential is inspired by people and everyday life, every piece of the formally simple and architectural influenced collection is made to last a lifetime.

## **FROM INDUSTRIAL DESIGN**

Is a collaboration between Cesare Bizzotto and Tobias Nitsche.

The italo-german duo met during their masters degree in ECAL, Switzerl. Since then been developing industrial products in the fields of furniture and lighting.They are known for developing inovative and forward thinking solutions while always keeping an edge in their aesthetics. They have designed the Plié Shelving System for UTIL.
