NOTE: Failure to follow the proper handling precautions shown may void product warranty:

- Before use, remove all sharp objects from area to be irrigated.
- Do not hang and/or suspend bag from straps.
- Fill with clean water only. If necessary, filter water through cotton cloth on hose end.
- Do not unzip bag when full.
- Do not tear or rip fill opening.
- Treegator® is not a toy - Keep away from children.
- If using water soluble fertilizers, pre-mix in a separate container before adding mixture to bag (not necessary with water-soluble fertilizer packets)
- Product is designed for use on mulch. Using product directly on soil can clog drip holes.
