

## Warranty information for AMCO Batteries

### **AM9141**

Amco International Manufacturing & Design, Inc (Amco) warrants to the original end user, the AM9141 replacement battery to be free of defects in material and workmanship. This battery is warranted for a shelf life of Five (5) years from the date of original shipment to the original end user. The AM9141 warranty is altered once installed in a unit to an operating life of Two (2) years from the date of installation into a Cardiac Science AED. Under no circumstances will the warranty exceed 5 years.

#### **This warranty is VOID if:**

This warranty does not cover defects or damages of any sort resulting from accidents, damage while in transit to our facility, any alterations to the product, improper use, abuse, neglect, fire, flood, war or acts of God. Any alterations to the product case will void the warranty.

If your Amco AM9141 contains defects in material or workmanship, and is within the warranty period, please contact your sales representative to have an RMA issued for your return. Amco Intl Manufacturing & Design, at its sole discretion, will repair or replace your AM9141. The repaired or replaced unit will be warranted for the remainder of the original warranty period, provided the warranty period has not expired.

#### **Amco International Manufacturing & Design, Inc Warranty Limits**

This Limited Warranty is in lieu of and specifically excludes and replaces all other express or implied warranties. No representative, dealer or distributor is authorized to make representation or warranty concerning Amco products, except those expressed in this limited warranty. Your remedy with respect to any and all losses or damages resulting from any cause whatsoever shall be specified above. Amco shall in no event be liable for any consequential or incidental damages of any kind, including but not limited to, loss of profits, personal injury, commercial loss or exemplary damages.

### **AM9146 (both -01 and -02)**

Amco International Manufacturing & Design, Inc (Amco) warrants to the original end user, the AM9146 replacement battery to be free of defects in material and workmanship. This battery has a full operational warranty for four (4) years from the date of installation into a Cardiac Science AED. Under no circumstances will the warranty exceed 5 years.

**This warranty is VOID if:**

This warranty does not cover defects or damages of any sort resulting from accidents, damage while in transit to our facility, any alterations to the product, improper use, abuse, neglect, fire, flood, war or acts of God. Any alterations to the product case will void the warranty.

If your Amco AM9146 contains defects in material or workmanship, and is within the warranty period, please contact your sales representative to have an RMA issued for your return. Amco Intl Manufacturing & Design, at its sole discretion, will repair or replace your AM9146. The repaired or replaced unit will be warranted for the remainder of the original warranty period, provided the warranty period has not expired.
