

French-Speaking Student Assistant – Amazon FRANCE

Do you have a passion for Sports & Outdoor?

Do you know how to adapt to a challenging environment?

Are you passionate about e-commerce, sales and marketing?

Apply now and become part of our great team at DANISH ENDURANCE!

We are looking for a talented and ambitious **Student Assistant** who will work as **Account Manager for our French Amazon Account** to contribute to the continuous development and growth of our brand of endurance and outdoor gear.

WHO IS DANISH ENDURANCE?

DANISH ENDURANCE is a global endurance & outdoor brand within e-commerce. With a focus on Danish design and sustainable manufacturing in Europe and Asia, we are a young high-growth company, with a flat structure and a friendly, dynamic working environment. We are a truly international team consisting of 60 professionals with 25 different nationalities based in Copenhagen at Holmen and Gramrode near Horsens. We focus on Danish design and sustainable manufacturing in Europe and Asia. We have a scalable and unique business model, our ambitions are rocket-high, and we strongly believe that everything is possible. That is why we need you!

WHAT CAN YOU EXPECT FROM THE JOB?

As a **Student Assistant** in E-commerce, you will work closely with our international team of account managers. You will be responsible for managing our **Amazon.fr account**. Your duties will entail making ongoing improvements and proactive fixes to product listings, optimizing ppc marketing campaigns, updating and uploading content, adjusting pricing as needed, translating product descriptions. Moreover, you will be involved in preparing the market for our main deal events. In addition to these tasks, you will provide support to the international account management team by assisting with a diverse range of cross-market operational projects.

WHAT DO WE EXPECT FROM YOU?

It is very important that you are proactive and have an independent, structured work attitude. As you will be working in a fast-paced environment, you should be able to handle multiple tasks at the same time. You should pay great attention to detail and know how to work in a result-oriented way.
