

IMMUNE SYSTEM[†] / JOINT MOBILITY[†] / BONE & CARDIOVASCULAR HEALTH[†]

PRODUCT BENEFITS:

Omega+D3 is a comprehensive formula providing very high levels of EPAs and DHAs in superior Triglyceride form along with 4000 IU of Vitamin D3. In several clinical studies the Triglyceride form of Omega-3s has been shown to be more bioavailable than in Ethyl Ester form.[†]

The superior Triglyceride form of Omega-3 fatty acids used in Omega+D3, particularly the effective EPA and DHA fatty acids, help support cardiovascular health, joint movement, immune function and a healthy response to exercise-induced inflammation.[†]

Vitamin D3, (Cholecaliciferol), helps allow our immune system, bones and muscles to function normally. Exposure to sunlight provides most of our Vitamin D but many may not be getting optimum levels of this vitamin due to lack of sun exposure or suncreams. The National Institute of Health states the upper limit for Vitamin D is 4,000 IU/day for children 9 years and older, adults, and pregnant and lactating teens and women.[†]

Many recommend that individuals consuming more than 2,000 IU/day of vitamin D (from diet and supplements) should periodically obtain a serum 25-hydroxy vitamin D measurement. Do not exceed 10,000 IU per day unless recommended by your doctor. Vitamin D supplementation is not recommended for individuals with high blood calcium levels.

Promotes Healthy Response To Exercise-Induced Inflammation[†]

- Helps Keep Immune System Strong*
- · Loaded with EPAs and DHAs, Beneficial For Optimum Health[†]
- Promotes Healthy Heart, Brain And Joint Mobility[†]

• Vitamin D3 Promotes Absorption of Calcium For Bone Strength & Maintenance*

1000MG EPA/DHA OMEGA-3 FATTY Acids in triglyceride form

4000 IUs VITAMIN D

Ð

BONE HEALTH & MAINTENANCE[†]

& JOINT MOBILITY[†]

PROMOTES HEALTHY HEART, BRAIN,

RECOMMENDED DOSAGE:

1 SOFTGEL WITH MEAL (For optimal results) **DIRECTIONS: 2 SOFTGELS / DAY**1 SOFTGEL WITH MORNING MEAL + 1 SOFTGEL WITH EVENING MEAL

WHO SHOULD TAKE IT?

Omega+D3 is a 2 in 1 product recommended for anyone wanting to nutritionally support joint, heart, brain and bone maintenance along with a healthy immune system.

Servings per Container: 30 Serving Size: 2 Softgels		
	Amount Per Serving	% Daily Value
Calories	20	**
Total Fat	2 g	2%
Vitamin D3	*	*
(As Vitamin D3 1 M IU/G in MCT Oil)	4000 IU	500%
Fish Oil Concentrate	2000 mg	•
EPA (Eicosapentaenoic Acid) as TG	600 mg	*
